Subject: Incoming Mob information packet & Contact List

Good evening everyone,

Please find attached the incoming mobilization packet. Please review. I also have created the EPA contact sheet as well as the Start Contact sheet (still being updated).

I will be printing out the Org chart from today that I will need you to review in the morning when you check in and list any changes in teams or mission. Also going forward, when you check in I have added a mission section to list your current mission for that day. If you are unassigned, please list unassigned. This information will be sent back to EPA by 0900.

Please also remember to review the updated HASP (next to burn in sheet) and sign off on the back page.

New Check In & Check out will be at the following location

1210 N. Hutton Avenue

Farmington, NM 87401

Thank you for your patience as we continue to streamline this process.

If you have any questions, please do not hesitate to ask.

Gena Good
